

## TRANSFORMATION AWARDS Nomination Form

### THE TRANSFORMATION AWARDS PROGRAM

The Transformation Awards program was established by Silvertrust Media (Silvertrust Communications Inc.), and the Transformation Institute For Leadership And Innovation, to recognize individuals and organizations who positively impact lives by reflecting or maximizing our values and cultural diversity. It honours individuals who make a profound difference in the lives of Canadians, while inspiring people to be responsible citizens of the world. Categories include Leadership, Enterprise, Innovation, Lifetime, Public Service, Development, Media, Professional Excellence, Community Service, Harmony, Heritage and Entertainment. A committee supported by the editorial team of Diversity Magazine, a Silvertrust publication, selects winners. Nominations may be re-submitted or considered in subsequent years instead.
